Principal's Message

As the Fall is in full swing, please start preparing your child/children coming to school with the clothing appropriate for the colder days. Ensuring that students stay warm. As well, it helps to label all their belongings as we do not have "Lost and Found" this year due to COVID. This will limit the amazing amount of student hats, mitts/gloves, and shoes. https://mabelslabels.ca/en_CA/fundraising/support/

We have had a very busy two months of school keeping our students safe and learning at the same time. Our students are doing an awesome job following the protocols from our Public Health Nurse and from the Durham District School Board.

At Fairman as we enter the month of November this signals a period of reflection as it marks the first reporting period of 2020-2021. It is the perfect time for students and guardians to receive a formal update of "how things are progressing". The goal of this interim report card is to provide an opportunity to identify both the student strengths and areas for improvement early in the school year. It provides parents with a snapshot of their child's progress. Virtual Interviews will be taking place November 12 and 13th. More information on interviews will be coming home. Please remember that if you have any questions please contact your child's teacher. The progress reports will be sent home on Wednesday November 11th.

S.C.C. 2020-2021

Just a reminder that North Country Meat & Seafood ordering information was sent home via School Messenger. If you have any questions, please contact fairmanfundraising@gmail.com.

November

Respect

Virtual Assembly

Our first virtual Character assembly will take place on November 4th. The Character trait for the month of November is Respect and one student from each class will be chosen to receive this award. Parents of the award winners will be sent a link to join our assembly.

SPIRIT
DAY

Our Grade 1s took two pumpkins - one gray, one orange, and predicted (and wrote about) what colour they might be inside. Then today, we cut a piece out of each and discovered they were both the same inside, but different outside. We talked about how that's just like people - no matter what they look like on the outside, everyone is the same inside. We are all HUMAN!

Get Ready to go Back to Class with Mabel's Labels!

Support our fundraiser by taking advantage of exclusive deals on Mabel's Labels durable, waterproof School Labels. Help stop the spread of germs in the classroom by labeling all of their gear.
