Principal's Message:

Dear Families,

Thank you for your continued support and for working in partnership with us in order to ensure your child(ren) continues learning from home. Online learning has been extended until February 10th. The school will be closed, and students will continue joining their Google classroom online from home. The government has also announced that when we do return to in person learning all students from Grades 1-12 will be required to wear a mask. Students in Kindergarten are strongly recommended to wear one as well.

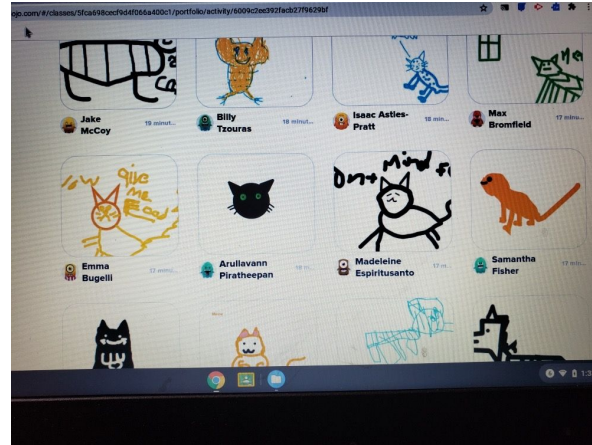

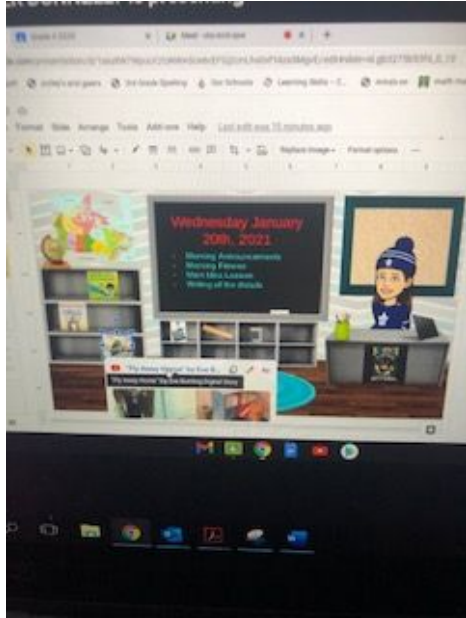

We understand that online learning may cause stress to students and families. Please reach out to your teachers or myself if your child is struggling with online learning. We are here to help in any way we can to ensure your child stay connected to their classroom.

If you need to reach the office, please email EAFairmanPS@ddsb.ca or Mrs. Makris sandra.makris@ddsb.ca as we are working from home.

Please note students returning to virtual classes already in existence will begin Monday February 22nd. Those joining new classrooms will begin on Thursday, February 25th. Students returning to schools from virtual learning to in-person learning will begin on February 22nd, 2021.

S. Makris, Principal

Sometimes websites that previously loaded in Chrome stop working properly. This may include symptoms such as the browser crashing when specific sites are loaded, sites freezing at specific points, or sites loading with blank segments.

Clearing your browser's cache of images and website data often solves these types of problems. If you try these steps and are still having trouble, please contact the school EAFairmanPS@ddsb.ca for more assistance. Here are the instructions [Clear Chrome Cache](#)

School Climate / Well-Being Survey For Parents/Guardians 2020-2021

Links will be open from Wednesday, January 6th to Thursday, March 11, 2021

As outlined in PPM 145, Progressive Discipline and Promoting Positive Student Behaviour, each school must complete an anonymous School Climate/Well-Being Survey of their students, staff and parents every two years. The purpose of the School Climate/Well-Being Surveys is to gather data on how safe and accepted students feel at their school. This data can then be utilized by the Safe and Accepting Schools Team to develop a Safety Action Plan, and to create a goal within the Board Improvement Plan and School Improvement Plans.

Please complete the Parent School Climate Survey by using:

Link to Parent Survey: <https://www.surveymonkey.com/r/CWB20-21Par424>

When completed, parents/guardians MUST click “Submit” at the end of the survey. The survey will then automatically redirect to the DDSB homepage
