School Climate / Well-Being Survey For Parents/Guardians 2020-2021

Links will be open from Wednesday, January 6th to Thursday, March 11, 2021

As outlined in PPM 145, Progressive Discipline and Promoting Positive Student Behaviour, each school must complete an anonymous School Climate/Well-Being Survey of their students, staff and parents every two years. The purpose of the School Climate/Well-Being Surveys is to gather data on how safe and accepted students feel at their school. This data can then be utilized by the Safe and Accepting Schools Team to develop a Safety Action Plan, and to create a goal within the Board Improvement Plan and School Improvement Plans.

Please complete the Parent School Climate Survey by using:

Link to Parent Survey: <https://www.surveymonkey.com/r/CWB20-21Par424>

When completed, parents/guardians MUST click “Submit” at the end of the survey. The survey will then automatically redirect to the DDSB homepage
